price. Do that by creating a sales web page for the brand new book, however don't embrace a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Be sure that your gross sales copy is strictly the similar on every web page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.
