If these customers have already purchased an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the new book, but do not embody a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum value is.
