Do this by making a gross sales page for the new e-book, but don't embody a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is precisely the similar on each web

page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.

In the end, in the event you've written a book that solves a problem or presents a brand new approach, your e book will herald both site visitors and profits.
