and promotional materials, and each time anyone asks you about your ebook.

An efficient method for determining a value is to ship out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion by way of price. Do this by making a sales web page for the new ebook, but don't embody a value on that page. Ensure that your sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

In the end, in case you've written a guide that solves a drawback or presents a brand new approach, your ebook will herald each site visitors and profits.
