Do that by making a gross sales page for the new guide, however don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different costs on every page. Make certain your sales copy is precisely the identical on each web page, and

consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, for those who've written a guide that solves a downside or presents a new approach, your book will usher in each visitors and profits.
