price. Do this by making a gross sales page for the brand new guide, but don't include a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Make certain your sales copy is precisely the same on every page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum worth is.
