An effective method for determining a value is to send out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new e-book, but do not include a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Make sure your sales copy is strictly the identical on every web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum price is.
