An efficient approach for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for their opinion by way of price. Do this by creating a sales web page for the brand new ebook, but do not embody a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with totally different costs on each page. Make certain your gross sales copy is strictly the same on every page,

and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum price is.
