One other technique is to check out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is precisely the similar on each web page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

In the end, if you happen to've written a e-book that solves a downside or presents a brand new approach, your book will herald each site visitors and profits.
