Begin on the highest value the market will bear to usher in the largest earnings, and plan to discount the e book a number of times all through the year.

Do that by creating a sales page for the brand new guide, but do not include a price on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is precisely the similar on each web

page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, for those who've written a e-book that solves a drawback or presents a new method, your guide will usher in each traffic and profits.
