An efficient method for determining a value is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new guide, but don't embody a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is exactly the same on each page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum value is.
