Another technique is to test out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Be sure your gross sales copy is precisely the identical on

each page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Finally, in the event you've written a e-book that solves a drawback or presents a new approach, your ebook will usher in both site visitors and profits.
