Do that by creating a sales web page for the new e book, however don't include a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Ensure that your gross sales copy is precisely the identical on every web page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a guide that solves a downside or presents a brand new approach, your guide will usher in both site visitors and profits.
