price. Do this by making a gross sales web page for the brand new e book, but don't embody a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make certain your gross sales copy is precisely the identical on each web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum price is.
