One other strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Make sure your gross sales copy is strictly the similar on each web page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum value is.

Finally, for those who've written a e-book that solves a problem or presents a brand new approach, your book will usher in both site visitors and profits.
