After you determine your purpose, you must determine what your viewers's want is to your ebook. For instance, does your guide resolve a specific downside? Start at the highest value the market will bear to bring in the largest earnings, and plan to discount the e book a variety of times throughout the year.

If these prospects have already bought an book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the new e book, but don't embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Be sure that your sales copy is exactly the same on each page, and

consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum price is.

Finally, in case you've written a ebook that solves a drawback or presents a brand new method, your book will usher in each visitors and profits.
