Do this by creating a sales page for the new e-book, but don't embrace a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is exactly the similar on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum value is.

Finally, should you've written a ebook that solves a drawback or presents a brand new method, your guide will usher in both site visitors and profits.
