Do that by making a sales web page for the new book, but do not embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your gross sales copy is strictly the same on each page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum value is.
