An efficient approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the brand new guide, however do not embody a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make certain your sales copy is strictly the same on every page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

Ultimately, should you've written a guide that solves a problem or presents a brand new technique, your book will herald both visitors and profits. So make sure you write that selling-deal with sentence that sums up what downside your book solves and what the advantages of your 1467 guide will likely be to the shoppers who buy it.
