a excessive price. In case your e-book solves a problem or answers questions in a brand new and distinctive manner, you must value your e-book as excessive as you may go. Do this by making a sales page for the new book, however do not embrace a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Ensure your sales copy is precisely the identical on each page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.

Ultimately, for those who've written a e book that solves a drawback or presents a brand new approach, your e-book will bring in each traffic and profits.
