An effective method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new book, but do not embrace a price on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with totally different costs on every page. Be sure that your gross sales copy is exactly the same on each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum worth is.

In the end, in case you've written a guide that solves a problem or presents a brand new technique, your ebook will herald each site visitors and profits.
