Do that by making a sales web page for the new e book, however do not embrace a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with different prices on each page. Ensure that your gross sales copy is precisely the similar on every web page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, for those who've written a guide that solves a drawback or presents a new technique, your e-book will bring in both visitors and profits.
