An effective method for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the brand new ebook, but do not include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum price is.

Finally, if you've written a guide that solves a problem or presents a new method, your book will herald both visitors and profits.
