If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the new e book, however don't include a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum worth is.

Ultimately, in the event you've written a book that solves a downside or presents a brand new method, your e-book will bring in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 170 e book can be to the shoppers who buy it.
