Advertising Strategies

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. An efficient approach for determining a price is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e book, but do not embrace a price on that page. Another technique is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Ensure your gross sales copy is strictly the same on each

page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum price is.
