this by making a sales web page for the new ebook, but do not include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with different prices on each page. Ensure your gross sales copy is strictly the similar on each web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum value is.
