Do that by creating a sales page for the new guide, however don't embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Ensure your sales copy is precisely the identical on each

web page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a new approach, your ebook will bring in each traffic and profits.
