If that is your major objective, you should intention to maintain your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The key is to discover a price that maximizes your profits and the number of books you sell.

This is an excellent pricing strategy if you are seeking to acquire lengthy-term customers. Lengthy-term customers are extraordinarily likely to purchase from you again and again ? as long as the first book they buy is of distinctive quality and useful to the customer.

Nevertheless, if your ebook contains precious ? and extra importantly NEW data, references, or strategies ? then you need to aim to cost it on the high end.

After you figure out your aim, it's essential to figure out what your viewers's need is on your ebook. For example, does your ebook resolve a specific drawback? If it does, and solves it in a means that hasn't been written about in 100 other ebooks, you may be able to obtain high gross sales

at an excessive price. If your guide solves a problem or solutions questions in a brand new and unique manner, it's best to price your e book as excessive as you may go. Begin at the highest price the market will bear to herald the largest income, and plan to low cost the e-book a number of occasions throughout the year.

Advertising and marketing Methods

and promotional materials, and every time anybody asks you about your ebook.

One is to give one thing away free of charge with your ebook, reminiscent of a useful bonus item. Or bundle a number of ebooks below one price, which lowers the price for each book in the event that they had been offered separately.

An efficient technique for determining a worth is to send out a survey to your present customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the new e book, however do not include a value on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Be certain your gross sales copy is strictly the identical on every web page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum worth is.

In the end, when you've written a e-book that solves a problem or presents a new method, your ebook will usher in both traffic and profits.
