Do that by making a sales page for the brand new ebook, however don't embody a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with totally different prices on every page. Make sure that your gross sales copy is precisely the identical on

every web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

Finally, in case you've written a guide that solves a downside or presents a brand new technique, your book will usher in each traffic and profits.
