Advertising and marketing Strategies

Then make sure you use that sentence in every piece of sales and promotional material, and each time anybody asks you about your ebook.

Apart from selling your books assiduously online, there are a number of different methods that may make it easier to promote extra books.

One is to offer one thing away without spending a dime together with your guide, akin to a invaluable bonus item. Or bundle a number of ebooks below one worth, which lowers the price for every e book if they had been offered separately.

An effective method for figuring out a value is to send out a survey to your current customers. If these prospects have already bought a book from you, ask for their opinion in terms of price. Do this by making a sales page for the brand new book, but do not include a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is precisely the identical on

every web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum price is.

In the end, if you happen to've written a book that solves a problem or presents a brand new method, your guide will usher in both visitors and profits. So be sure you write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your 1933 e book can be to the customers who buy it.
