An effective technique for determining a value is to ship out a survey to your current customers. If these prospects have already bought an book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e book, but do not embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

on every web page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum price is.
