Do that by creating a gross sales web page for the brand new ebook, but don't include a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different prices on every page. Make sure that your gross sales copy is strictly the same on each page, and

contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum price is.
