Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with different prices on each page. Ensure your gross sales copy is strictly the same on every web page,

and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum price is.
