Do this by making a sales web page for the brand new book, however don't embody a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Ensure your gross sales copy is precisely the same on each

web page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum value is.

In the end, in the event you've written a book that solves a downside or presents a new method, your e-book will bring in both visitors and profits.
