sales and promotional materials, and every time anyone asks you about your ebook.

Do that by making a gross sales page for the brand new book, but do not embody a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is precisely the identical on each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.
