An efficient method for determining a value is to ship out a survey to your present customers. If these clients have already bought an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new book, however do not embody a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Make sure your sales copy is exactly the similar on every web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.
