As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Be certain that your gross sales copy is precisely the same on each

web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a new approach, your book will bring in each site visitors and profits.
