An effective method for determining a value is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the brand new e-book, however don't include a value on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is exactly the same on each page,

and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum price is.

In the end, in the event you've written a guide that solves a problem or presents a new approach, your e book will usher in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 2184 e-book will likely be to the purchasers who buy it.
