Do that by making a gross sales web page for the new e-book, but don't embrace a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different prices on each page. Be certain your gross sales copy is precisely the same on every page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a e book that solves a problem or presents a brand new technique, your book will herald both site visitors and profits.
