If these prospects have already bought an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the new e-book, but don't embrace a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on every page. Ensure your gross sales copy is precisely the similar on every page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum worth is.

Finally, if you've written a guide that solves a downside or presents a new technique, your e-book will herald both visitors and profits.
