Do this by making a gross sales web page for the brand new book, however do not embody a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Be sure your sales copy is strictly the identical on every page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a book that solves a drawback or presents a brand new technique, your book will herald both traffic and profits.
