Marketing Methods

The important thing that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. One is to present one thing away for free with your e book, akin to a precious bonus item. Or bundle several ebooks underneath one worth, which lowers the value for each e-book in the event that they have been bought separately.

An efficient method for determining a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the new ebook, but do not include a price on that page. Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure that your sales copy is exactly the similar on each web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum price is.
