Remember that the above pricing strategy is temporary. Ultimately, you'll cease to sell books at this high price. So determine in advance how lengthy you plan to supply your e-book at this high worth, and when that point is up, change your pricing strategy.

If you want to see giant income over customer draw, intention for an audience that's on the lookout for simple solutions to their problems at a low price. If your guide is geared toward solving one particular drawback fairly than normal advice, then you may charge more. Start at the highest value the market will bear to bring in the largest profits, and plan to discount the book a variety of instances throughout the year.
