One is to give something away for free along with your guide, corresponding to a valuable bonus item. Or bundle a number of ebooks underneath one value, which lowers the value for each ebook if they were bought separately.

An effective approach for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new ebook, but don't embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is exactly the identical on

each page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum value is.

In the end, if you happen to've written a book that solves a drawback or presents a new technique, your guide will herald each site visitors and profits. So be sure you write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 2430 book will be to the customers who buy it.
