An efficient technique for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new e book, however do not embrace a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Make sure your sales copy is exactly the same on each web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum value is.

In the end, in case you've written a book that solves a problem or presents a brand new method, your e-book will herald each visitors and profits.
