As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different prices on each page. Make sure your gross sales copy is exactly the identical on each web

page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum price is.

Finally, for those who've written a guide that solves a downside or presents a new technique, your ebook will usher in both traffic and profits.
