and promotional material, and every time anybody asks you about your ebook.

Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with different costs on each page. Be sure that your gross sales copy is strictly the same on every web page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.
