An efficient method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do

that by making a gross sales page for the new ebook, but don't embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the similar on every page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

Ultimately, if you've written a guide that solves a problem or presents a brand new approach, your guide will bring in both site visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your ebook solves and what the benefits of your 2628 ebook will be to the purchasers who purchase it. And then watch your market come to you!
