If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the new e-book, but don't embody a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with different costs on every page. Make sure your gross sales copy is precisely the same on every web

page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, should you've written a e-book that solves a drawback or presents a brand new method, your e-book will herald each site visitors and profits.
