price. Do this by creating a sales web page for the brand new ebook, however do not include a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Make certain your sales copy is precisely the similar on every web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, should you've written a e-book that solves a downside or presents a new technique, your guide will usher in each site visitors and profits.
